ELA – Reading (5 points each.)

Wanda and Tina had been best friends for years. They did everything together. That's why Wanda was so surprised one day when Tina wouldn't talk to her. She had saved Tina a seat in the lunchroom, but when Tina came in she went off and sat by herself.

Wanda didn't know what was wrong. Could Tina be mad at her? She thought about what she had done and said recently. Was Tina upset because Wanda had done better on the history test than her? No, Tina didn't care about that kind of thing. She was happy that Wanda did well in school.

Wanda decided to find out what was the matter. She walked over to where Tina was sitting. "Tina," she said softly, "Is something wrong?"

Tina looked up, momentarily **perplexed**. Then she realized who it was. "Oh, hi, Wanda," she said. "Yes, something is wrong. My cat Zorro died today. I've been really sad. Thanks for asking. You're a true friend." Then she smiled. Wanda sat down next to her friend and gave her a big hug.
